

Creating a ShopWithScrip account in 3 easy steps:

1. Click “Register” on the ShopWithScrip [login page](#) or in the app:

2. Choose “For Families: Join Existing Program”

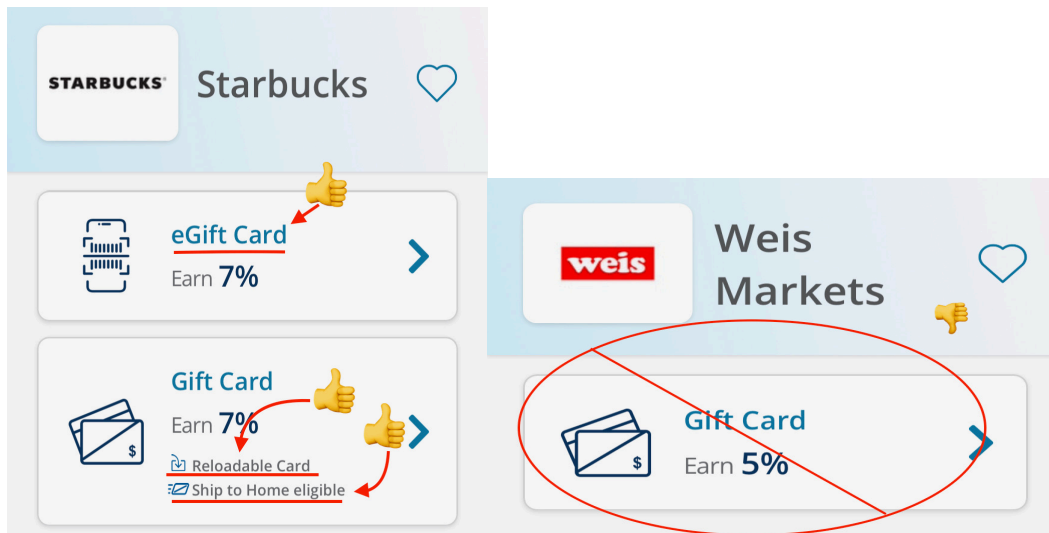

3. Enter our organization's "enrollment code": D3B6839D3394L

You will then be prompted to create a personal username and password as well as enter your account information including name, address, etc.

Once your account is set up you are ready to shop anytime anywhere! You pay only for the face value of the card and YPPLV will receive a portion of the value of each gift card that is purchased; anywhere from 1.5% to 16% of the face value of the card back from the vendors. An added benefit of this new online direct order method is that you can purchase e-gift cards and reload existing gift cards at any time throughout the year. E-gift cards have the additional benefit of being printable by the purchaser or send-able via email, on a specific date chosen by you (i.e. a birthday or holiday occasion), to whomever you plan to gift it to. Reloading existing cards is also a great way to plan for a purchase or create an allowance for your child.

IMPORTANT:

- Please choose E-Gift, Reload, and/or Ship to Home eligible options. When ordering physical gift cards, only physical gift cards orders that indicate “Ship to Home eligible” can be sent directly to your address. Unfortunately not all participating retailers offer all options. Also, the “Ship to Home eligible” option is only offered when shopping through the *RaisedRight* Mobile App, not the website. Physical gift card purchases without the “Ship to Home eligible” label would be mailed to your coordinator, so at this time these orders will have to be canceled and refunded.

- NO physical check payments to coordinator can be accepted at this time. You may choose to securely link your bank account (each order will incur only a small \$0.15 processing fee) or use your Credit Card (credit card transactions will incur a 2.6% processing fee).
***If you plan to use your bank account, be sure to add your bank account information to your profile *before* proceeding to checkout to take advantage of this low \$0.15 fee.

Thanks for your support!
